Trusted by Entrepreneurs and Finance Teams Worldwide

Get all your sales tax needs handled. Commenda registers your business, calculates taxes, files your returns and offers expert help. You can focus on growing your business without worrying about sales tax penalties. Check [here](#) to learn more!

Syncs with Accounting Software

Link Commenda to your accounting software to import invoices and transactions automatically. With this simple step, you can eliminate manual entry by using your existing finances as the source of truth.

Transparent Pricing Model

Commenda believes in fair and honest pricing. That's why it offers a simple flat fee per state, with no hidden costs. Unlike our competitors, Commenda does not complicate the pricing models and charges. No surprises here, no hidden charges whatsoever—you know the exact cost upfront.

Personalized 24/7 Support

With Commenda, you get 24/7 customer service to assist you with all your sales tax queries and concerns. Whether you choose to reach out to us through email, phone call, or even via WhatsApp, Commenda's team will get back to you within a day or less. Unlike TaxJar, most of Commenda's clients have the personal numbers of a dedicated sales tax expert. No more talking to bots!

Flexible CSV Uploads

Upload your CSV files in any format and let Commenda's smart system map it for you. No need to waste time with data entry and manually mapping between two applications. With Commenda, your CSV files smoothly transition into the system, helping you focus on your

business. Enjoy the convenient CSV upload feature, setting Commenda apart from competitors.

Easy Interface

Commenda's streamlined interface is designed to make sales tax management simple for businesses of all sizes.

Accurate Import Duty Calculator

Selling products in the United States can be quite a challenge for sellers from outside the country. Commenda's user-friendly import duty calculator simplifies the process of calculating and paying import duties.
